A highly motivated and detail-oriented computer science engineering student with a passion for front-end web development. Proficient in C++, Data Structures and Algorithms, HTML, CSS, and JavaScript, and experienced in developing scalable and dynamic web applications using React with Firebase. Strong problem-solving skills and ability to work in a team environment. Seeking an opportunity to utilize and expand skills in software development.

Skills

- Proficient in C++ programming language and Data Structures & Algorithms
- Experience in front-end web development, including HTML, CSS, and JavaScript
- Proficiency in React Library with Firebase
- Strong problem-solving skills and ability to work in a team environment

Experience

15-JAN-2023 – 15-APR-2023

Web Development Intern / Devtown

- Collaborated with team members to develop and maintain a web application using React and Firebase
- Implemented responsive design using HTML, CSS, and JavaScript
- Utilized version control with Git and Github for collaborative development

Education

3RD YEAR PURSUING

B.Tech in Computer Science and Engineering / G.H Raiosoni Institute of engineering and technology, Nagpur

- CGPA: 8.08/10.0

MARCH 2020

Higher Secondary Education / Jeevan Vikas Vidyalaya, Umred

- Stream: Science
- Percentage: 83.54%

Secondary Education / Vikas HighSchool, Pauni

- Stream: Science
- Percentage: 90.40%

Projects

E-commerce Website (React, Firebase)

- Developed an e-commerce website with dynamic product listings, shopping cart, and checkout functionality using React and Firebase
- Implemented user authentication and authorization features for secure access to account information and order history

Chat application (React, Firebase, and Redux)

- User authentication and authorization, allowing users to sign up, log in, and join chat rooms securely
- Real-time updates for new chat messages, allowing users to see new messages without refreshing the page Search function, allowing users to search for specific messages or keywords within a chat room

ZOMATO Clone (MERN STACK)

Certifications

- Certified in C++ Programming OCT-2022
- Full Stack Web Development, DevTown APR-2023
